

The McCormick Mower is easy on your team—runs lighter than any other—cuts faster—makes less noise—does not rack the frame—and lasts longer. Don't take our word for it but call in and examine it yourself.

**HAVE YOU ORDERED YOUR McCormick Mower?**  
"If not, why not?"  
place your order now?  
"Get Busy!"  
don't  
"Get Left!"

**McCORMICK**  
AND EVERYTHING FOR THE  
**HARVEST**

After cutting your Alfalfa cultivate it with the THOMAS SPRING TOOTH HARROW, to retain moisture, prepare for irrigation, and kill foxtail, weeds, etc.

Have You Overhauled Your McCormick Mower and Rake? We now have a large stock of extras

The McCormick Hay Rake is the acknowledged superior of any other made. Don't take our word for it but examine the rim, spokes, boxing, and axle of the wheel, and in fact, every part of the rake. It works equally well in heavy or light hay.

Simplest, most durable and easiest to operate. Sold under a backed up guarantee to develop the horse power sold. All sizes actually develop more. Call in and investigate.

## NEW HIGHER COURT

### Mr. Justice Tucker Takes Oath of Office

His Headquarters Established at Globe—A New Action Involving the Pima County Bonds.

A session of the supreme court was held yesterday at which Associate Justice E. A. Tucker took the oath of office with the usual imposing ceremony. The resignation of Associate Justice George R. Davis having become effective yesterday he found himself entirely without the bar over which he has assisted in presiding for nearly eight years. Accordingly on the motion of General Almsworth he was admitted to practice on a certificate from the clerk of the supreme court of Ohio.

**Rail Road Men**

In all departments of active service stand in need of the readiness of mind and promptness of action which depend on a healthy nervous system. Let a railroad man be "rattled," and every life depending on him is in danger. A great many railroad men have found in Dr. Pierce's Golden Medical Discovery a valuable tonic for the overstrained nervous system. It builds up the body, purifies the blood, nourishes the nerves, and induces a healthy appetite and refreshing sleep. I suffered for six years with constipation and indigestion, during which time I employed several physicians, but they could not reach my case," writes Mr. G. Popplewell, of Kureka Springs, Carroll Co., Ark. "I felt that there was no help for me; could not retain food on my stomach; had vertigo and would fall helpless to the floor. Two years ago I commenced taking Dr. Pierce's Golden Medical Discovery and little 'pellets' and improved from the start. After taking twelve bottles of the 'Discovery' I was able to do light work, and have been improving ever since."

Send 21 one-cent stamps to pay expense of mailing and get Dr. Pierce's Medical Adviser in paper covers, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

Judge Tucker had been assigned to the district composed of the counties of Graham and Gila. It was decided yesterday to name Globe as the place for holding the United States court. That was an unexpected action for the seat of the court is usually located in the more populous county. It was however explained that in this case there would be no opposition to this location of the court except from the people of Solomonville. It will meet the approval of the people of all other parts of Graham county. For years an effort has been in progress to take the county seat away from Solomonville and it would have been done long before this if the advocates of removal could have agreed upon a place to locate it. Solomonville, more than a mile from the railroad is inconveniently situated and is also badly in need of a new court house and jail.

Judge Tucker will not immediately enter upon his duties in his own district but will open the term of court for Judge Doan at Nogales this week while Judge Doan will proceed to Solomonville and try the famous priority water suit case which has been brought there after several years of preliminary skirmishing. The trial of the case will occupy about thirty days. Several more or less important cases were before the court in one way or another and were submitted. It is probable that opinions will be handed down in some of them on May 25 to which date an adjournment was taken. The case of the Wallapai Mining and Development company appellant against the territory for the use of Foster S. Denis, treasurer and ex-officio tax collector of Mohave county respondent was argued by Attorney Lynn Helm of Denver for the appellant. Mr. Helm by the way is a brother of the late Dr. Scott Helm of this city. This is an action brought by the territory to collect delinquent taxes of the mining company against which judgment was rendered. The case was submitted.

There was a new suit before the court which came up originally. It is an application on the part of the territory for a writ of mandate directed against E. L. Vail, Phil S. Hughes and C. F. Richardson, members of the board of supervisors of Pima county to compel a levy for the payment of the interest on the so-called narrow gauge bonds. The territorial board of equalization had fixed a levy of fifty-two cents on each \$100 for the payment of the interest on the bonds for 1903 and for the payment of the interest for 1904 a levy of fifty-four cents. The board of supervisors ordered a much smaller levy both years and no provision was made for the payment of the interest on the major portion of the bonds for those years. On the motion of Attorney General Clark, the case was submitted.

In the so-called United Verde tax case in which George H. Schuerman and others as members of the board of supervisors of Yavapai county are appellants against the territory the attorney general moved that the respondent be allowed thirty days in which to file supplemental briefs. The motion was allowed.

pellant against T. N. Clanton and others appellees from this county there was a motion to correct the judgment. This is an action involving the right of the appellant to close up certain of the alleys and streets of the town of Sidney better known as Buckeye.

The following cases were ordered submitted: S. F. P. & P. railroad appellant against George S. Ford appellee from this county; George A. Treadwell and others appellants against George O. Marrs appellee, Yavapai county; Jesse Hoyt Smith appellant against W. J. Rainey and others appellees, this county; A. L. Henshaw and others appellees against the Salt River Valley Canal company, appellant, this county; Adolf Ball, appellant against F. M. Hartman, trustee in bankruptcy of Benbrook and Donovan appellant, Pima county; David Hardenburg and Moses H. Sherman appellees against J. M. Ward appellant, this county; The Valley Bank appellant against Elizabeth E. Brown appellee, this county; H. P. Ewing and others appellants against the United States respondent, Mohave county.

#### THE MICROSCOPE.

Prove That Parasites Cause Hair Loss.

Nine-tenths of the diseases of the scalp and hair are caused by parasitic germs. The importance of this discovery by Professor Unna of the Charity hospital, Hamburg, Germany, can not be overestimated. It explains why ordinary hair preparations, even of the most expensive character fail to cure dandruff; because they do not, and they can not kill the dandruff germ. The only hair preparation in the world that positively destroys the dandruff parasites that burrow up the scalp into scales called scurf or dandruff, is Newbro's Herpicide. In addition to its destroying the dandruff germ Herpicide is also a delightful hair dressing. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. H. Goodman, druggist, special agent.

Attend the closing out sale at Balke's Big Curio. Everything at your own price.
